International Research Institute for Nuclear Decommissioning (IRID)

Approval of the Change of the Article of Organization

IRID announces that the change of the Article of the Organization was requested in accordance with the Act on Technology Research Association on March 29 and approved by the Minister of Economy, Trade and Industry on April 13, 2023. The change has been made in the Clause 52 (Duration of IRID) that was omitted from the Article of the Organization.

IRID is committed to conducting research development step-by-step and will continue to contribute the decommissioning of the Fukushima Daiichi Nuclear Power Station.
